

COMPETITION RULES
3rd EDITION

DOCEXDOCE
EUROPEAN COMPETITION FOR ARCHITECTURE STUDENTS

Competition aim

DOCEXDOCE announces the third edition of the “European competition of architecture students DOCEXDOCE”, the aim of the competition is to bring focus to students and get them involved, as well as to generate interaction between European architecture schools.

Participation requirements

Participants must fulfil the following requisite: being an undergraduate/master architecture student in any European school of architecture in 2019.

Participation process

Participants must enter the competition in teams of 2 to 4 members, and must not be members of more than one team. All team members must be ready to provide evidence of their student status should the organization require so.

There are two ways to participate:

Online: the students who can't work in any of our Embassies will receive all the necessary information online.

Presencial: A competition event will be carried out inside all of the collaborating Schools of Architecture with and Ambassador DOCEXDOCE. Each school will set up a work room for the teams. Limited places (*)

All participating projects must be presented in digital format and set via email or uploaded to the competition web on the day of the competition.

Languages

The competition languages in this Third Edition are English, Spanish and French.

All information about the competition will be available in any of these three languages. Participating projects can be written in either English, Spanish or French.

Entry process

Students wishing to participate in the competition must fill in the application form online. There is no entry fee. Applications to participate will be open until 3rd March 2019 or until all places have been filled.

Participation in the contest entails full acceptance of the rules.

() A provisional list of Schools of Architecture with physical presence can be consulted on the social networks of the contest. The final list and the availability of free places must be consulted during the process of registration to the contest on the web*

Competition topic

The topic will be disclosed on the day of the competition. The dossier will be submitted online to participating teams. It will include enough written and graphic information so that participating teams can fully understand the topic and present a proposal.

Competition day

The competition itself will be held on 6 March 2019, starting at 9 AM and finishing at 9PM (GTM+1)

The topic will be disclosed at the beginning of the contest. Proposals sent after the deadline will not be considered.

Further information about delivering the project to the jury (size, format, email, etc) will be included with the topic document and released on the day of the competition.

Jury

A jury is in charge of evaluating the projects and deciding on the winners. The jury comprises of:

Darius Karácsony,

Research Architect and former professor at the School of Architecture of Lausanne (EPFL).

Tomás García Píriz,

CUAC Architecture and professor at the School of Architecture of Granada (ETSAG)

Javier Castellano Pulido,

CUAC Architecture and professor at the School of Architecture of Malaga (EaM).

Alejandro Muñoz Miranda,

Muñoz Miranda Architecture and Deputy Director of International Relations ETSAG.

José Miguel Pedraza García,

Industrial Engineer and CEO Granatte.

Ricardo Hernández Soriano,

Deputy Director of Cultural Activities ETSAG.

Nicolás Martínez Rueda,

creator of DOCEXDOCE.

The decision of the jury is final and it will be made public within less than 6 weeks from the completion of the contest. The jury members reserve the right not to award some of the prizes if they consider it appropriate.

Prizes (**)

1st Prize: 1500 € + architecture magazines + BIM basic course.

2nd Prize: 800 € + architecture magazines + BIM basic course.

3rd Prize: 500 € + architecture magazines + BIM basic course.

8 Honorable Mentions: BIM basic course.

Audience Special Award: architecture magazines.

The publication of the winning projects and their authors in journals and specialized architecture web will be promoted, as well as the presentation of exhibitions by the Collaborating Schools of Architecture.

The Special Audience Award is chosen through social networks: a selection of up to 100 of the submitted proposals will be published and the number of interactions that each proposal received after a certain period of time will be counted. The selection will be chosen by the organization of the contest and by the teams that complete the contest. Information about this vote will be expanded after the day of the contest.

Votes that the organization will consider via bot, similar or fake profiles will be automatically canceled.

Others

Participants accept giving DOCEXDOCE rights of publishing and broadcasting the winning projects by any media, individual or in sets. By agreeing to this, the participants do not forfeit their rights as authors of the projects.

(**)

The batch of magazines of the first 3 prizes will be composed of a magazine for each member of the team.

The BIM training course will be online and individual for each member in the first 3 prizes as in the Honorable Mentions.

The batch of magazines of the Special Prize of the Public will be composed of 12 copies.

All prizes are accompanied by an official certificate of the contest.
